Software

Powering your digital success. GIFFT offers expert liaisoning for Software Development, Digital Marketing, Backend Services, LAN solutions, and CRM implementation.

Real Estate

GIFFT provides expert liaisoning across the real estate spectrum. From Land Sharing/Pooling and Constructions to comprehensive Township Development and Sale Purchase, we navigate complex deals, including Revenue Share models with Debentures.

Government Sectors

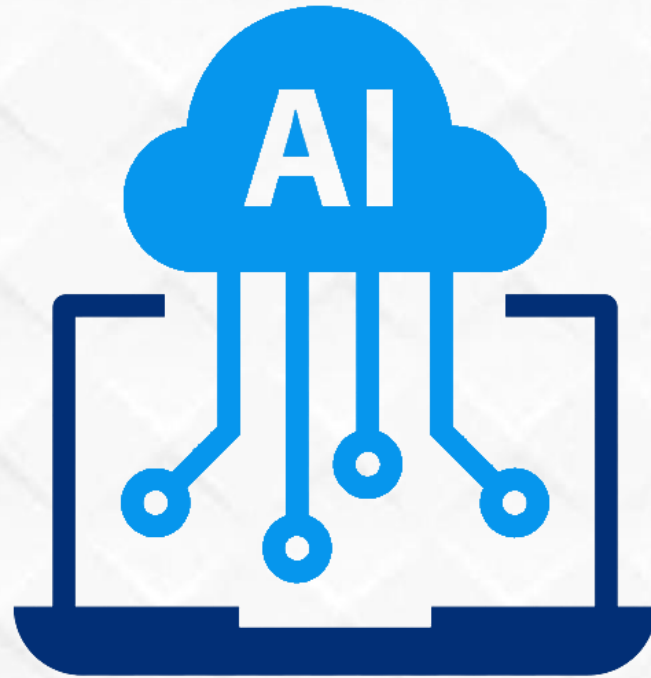

Navigate government opportunities with GIFFT. We specialize in facilitating NHAI tenders, offering reliable Maintenance and skilled Manpower Services for successful project execution.

Financial Market

Access the financial markets with ease and expert guidance through GIFFT. We provide solutions for Insurance, the Indian Financial Markets (BSE, NSE, Sensex, Index), and offer discounted Demat Accounts managed by our GIFFT AI, empowering your trading decisions with daily expert advice.

Artificial intelligence - AI

Maximize your trading potential. GIFFT AI provides algo-based software for automation and semi-automation in financial markets with 85-88% accuracy, enhancing our discounted demat account services and expert trading advice.

Wealth Management

Secure your financial future with GIFFT's wealth management services. We provide tailored solutions in Mutual Funds to help you achieve your goals.

Insurance Sector

Protecting what matters, across all sectors. GIFFT offers comprehensive insurance solutions in Medical, Term, Life, and General categories, featuring 24-hour service, alongside our expertise in other industries and financial services.

Believe in yourself

There is a certain strength in standing alone, a quiet determination that comes from relying on yourself.
